

OB/GYN Physicians Needed

Hafa Adai! Commonwealth Healthcare Corporation in Saipan, Northern Mariana Islands, has an **urgent need for OB/GYN coverage: physicians for 1–6 months or permanently**. Have a gap between positions, considering a career change, or want a few months of meaningful medicine on a Pacific island? We would love to talk with you.

The Practice

- Established dept.: **5 OB/GYNs, 6 certified nurse midwives, 2 NPs**
- Full-scope OB/GYN available for physicians who want it
- **1:5 call; in-house midwife takes first call**
- Physicians primarily called for C-sections, operative deliveries, high-risk OB, and GYN emergencies
- Low-risk vaginal deliveries generally managed by midwives; physicians wanting more hands-on OB welcome to participate
- **Post-call day off; 40-hr work week; clinic capped at 14 pts/day**

Why Saipan?

- Global-health feel while remaining within a U.S. healthcare system
- CHCC is the sole public healthcare system for the CNMI, serving a diverse Pacific Island community
- Warm weather year-round; diving, snorkeling, beaches, hiking, boating, fishing; almost no commute
- Step away from mainland volume and pace without leaving meaningful, full-scope OB/GYN

Flexible Terms

- Immediate priority is coverage: commitments of ~1 to 6 months, or longer-term/permanent
- **Timing:** immediate / as soon as credentialing allows

Permanent Position

- **\$220,000/yr salary + \$10,000 signing bonus**
- 15 paid holidays; PTO and sick leave accrual; Aetna Global Health Insurance
- Physicians who establish CNMI residency may qualify for favorable CNMI/U.S. tax treatment, depending on individual circumstances
